

Join the NZ Standardbred Breeders Assn.

The NZ Standardbred Breeders Assn is a non profit voluntary organisation whose purpose is to actively promote the best interests of breeders and owners in all matters of Harness Racing. To achieve this goal the NZSBA channel their efforts into the following six key areas.

1. Promote Ownership of Standardbred Horses.
2. Participating in all aspects of the Harness Racing Industry
3. Promoting quality breeding of the Standardbred horse and ethical industry practice.
4. Promoting Group racing for fillies and mares, and encouraging racing clubs to increase the spread of stake money.
5. Supporting the development of effective governance within the Harness Racing Industry.
6. Monitoring Industry developments to help minimise costs to the breeders.

The NZSBA has three affiliated organisations.
