

What Is SIRE POWER?

An intangible. An example is the broodmare Mint Kondition (by As Promised) who had a less than distinguished career on the racetrack winning just one race in 2:01.4 and \$1,715 in stake money. At stud her first foal did not make it to the races and her second foal raced but did not earn a cent. Her third foal, a filly named **A P'S MONEY MAKER**, was the result of a test breeding to a first time sire called **CARDMASTER HANOVER** and when she went through the yearling sale ring she sold for just \$2,000 due to the ordinary maternal family. Two years later **A P'S MONEY MAKER** is the **UNDISPUTED CHAMPION 3YO FILLY OF ALBERTA**.

A Ps' Money Maker (by Cardmaster Hanover) has won the \$36,768 Debutante as a two-year-old and in 2008 she has won the \$77,002 Golden Garter and then the \$74,902 Alberta Rose by nine lengths in 1:52 1/5, a new track record for 3YO fillies.

Now that is REAL SIRE POWER
