## Welcome to our first newsletter for the 2008-09 Breeding Season

Well here we are at the start of yet another breeding season. I don't know about you, but each new season seems to come around quicker every year.

We at Wai Eyre Farm are looking forward to a great season. Despite the rain we have the farm looking at its best. We have 900 acres of extremely well maintained pasture, ready and waiting for the arrival of the breeding season and your prized bloodstock.

We are proud to announce that we have two new stallions for you, the breeder. One for the trotting enthusiasts and one for the pacing breeder.

We also welcome Robyn McLeish-Bond to our team. Robyn has been involved in the Harness Racing Industry for 25 years, so she knows the training and stud business very well.

Robyn will be well known through her recent time at Nevele R Stud and brings with her a wealth of breeding knowledge. She is looking forward to talking to as many breeders as possible. Robyn's job is to assist breeders with their breeding decisions, even if we do not have the stallion of your choice she will still assist.

**Robyn can be contacted on:**  
**0800 3126 338 or mobile 021 865 745**  
**email: [waieyre.robyn@xtra.co.nz](mailto:waieyre.robyn@xtra.co.nz)**

We listened to our customers and have been looking for the past 2 years to find what we believe is a stallion suited for the NZ Breeder. We set our criteria (of which

one was affordability to the majority of breeders, not specifically the big money commercial breeders) and got the word out amongst the agents and the Harness Racing Industry in North America. It took two years, but we are very proud to offer you our two new stallions.

Each brings with him some very unique features which we believe will be of interest to both the Trotting enthusiasts and the Pacing Breeders.

Our first stallion is a Trotter, who recorded a last quarter time of :27.1, and that was as a 2YO!

His name is **MONKEY BONES** and brings to our shores the very latest and hottest sire lines in the world today. He is the real thing and will be standing at Wai Eyre Farm in "person".

More pictures inside.

Our new stallion for the Pacing code, is a grandson of Laag. A sire line which brought Lombo Pocket Watch (36 wins, 1:55.5 \$1,369,318) to Australia and now through his son, Admirals Galley, we will show you how this proven sire line works with the unique maternal bloodlines in New Zealand. To find out how, read our articles that are included inside on our new pacing stallion **KLONDIKE KID**.

**PERUVIAN HANOVER** has his first crop racing this season and we are hearing many favourable reports, trainers comments inside. The next step along the way is the Ready To Run Sale on October 8th.

### MONKEY BONES Pedigree update

Monet Clip Hanover who was purchased at the Yearling Sales for over \$100,000 was exported to Norway where he has already put 3 wins on the board for stakes of \$40,000+.

### KLONDIKE KID Pedigree update

Klondike Kids 2YO full sister **Celtic Danser** has now had 7 starts resulting in 6 2YO wins for stakes of \$51,966 and a time of p2,1:56.1 on a 1000m track. She won her last race by 6 lengths. Her other siblings include:

- Blizzard Babe** 60 wins \$557,184
- Withalprobability** 26 wins \$287,265
- Silveresque** now up to 15 wins \$140,794

## Do we have your contact details correct?

Change in peoples lives is constant, and we want to ensure that your contact details are as you want them.

If you want any changes or updates made to your contact details please advise us. If you want you name removed, or if you are getting more than one newsletter, or if you want a new person added to the mail list, please advise us.

We would also like those rural people who we do not have a street/road name for to please advise us.

Our contact details are:  
 Email: [noel@pacingandtrotting.com](mailto:noel@pacingandtrotting.com)
